

Michael Tabano

Warehouse & Logistics | Customer Service | Event Security

Imperial Beach, CA 91932

(619) 946-3880

PROFESSIONAL SUMMARY

Results-driven professional with a proven record of delivering dependable service across warehouse operations, hospitality, retail, and security environments. Skilled in shipping and receiving, inventory support, guest relations, and event safety — with hands-on experience in fast-paced settings where accuracy, teamwork, and professionalism matter most. Recognized for a strong work ethic, clear communication, and the ability to adapt quickly while meeting production goals and maintaining high standards. Seeking a warehouse, logistics, customer service, or security role where consistency, accountability, and operational excellence drive long-term value.

PROFESSIONAL EXPERIENCE

Preloader

UPS | September 2025 – January 2026

- Loaded and unloaded packages with speed and precision in a high-volume warehouse and distribution environment.
- Maintained accuracy in sorting, scanning, and routing shipments to meet daily production and delivery standards.
- Followed strict safety protocols and workplace procedures to protect team members, equipment, and cargo.
- Consistently met daily production goals while maintaining quality and operational efficiency.
- Collaborated with team members to keep workflow moving smoothly during peak shipping periods.
- Demonstrated reliability, physical stamina, and attention to detail in a demanding logistics setting.

Server

New York West | June 2021 – October 2023

- Delivered exceptional guest service in a high-volume restaurant environment with consistent professionalism.
- Took orders accurately, served food promptly, and addressed customer requests with a positive, solution-oriented approach.
- Managed multiple tables and dining sections while maintaining service quality during peak business hours.

- Processed payments and handled customer transactions with accuracy and efficiency.
- Maintained a clean, organized, and welcoming dining environment that reflected high service standards.
- Collaborated with kitchen and front-of-house staff to ensure smooth operations and guest satisfaction.
- Adapted quickly to changing guest needs, menu updates, and high-traffic service demands.

Server

Wave House | October 2012 – September 2016

- Provided high-quality guest service in a fast-paced beachfront restaurant and entertainment venue.
- Managed multiple tables simultaneously while delivering attentive, friendly, and efficient service.
- Processed payments accurately and ensured a positive end-to-end guest experience.
- Handled high guest volume with composure, professionalism, and strong communication skills.
- Supported team operations during busy shifts to maintain service flow and customer satisfaction.
- Demonstrated dependability and consistency in a dynamic, customer-facing hospitality environment.

Sales Associate

Sportstown USA | September 2011 – October 2012

- Assisted customers with product selection, purchases, and inquiries in a retail sales environment.
- Managed stocking, merchandising, and store organization to maintain a professional shopping experience.
- Supported daily retail operations including inventory replenishment and floor presentation.
- Delivered friendly, knowledgeable customer service that encouraged repeat business and trust.
- Demonstrated reliability, attention to detail, and teamwork in a fast-paced retail setting.

Security Guard

Elite Show Services | June 2010 – September 2011

- Monitored events and protected guests, staff, and property with professionalism and situational awareness.
- Controlled entry points, verified credentials, and enforced access procedures with consistency and discretion.
- Responded to incidents calmly, professionally, and in accordance with event safety protocols.
- Maintained a visible, approachable presence that supported a secure and well-managed event environment.
- Collaborated with event staff and team members to ensure smooth operations and guest safety.
